

The image shows a CD-ROM with a blue and white design. The background features a photograph of ocean waves crashing against dark rocks. The text is printed in a gold or yellow color. At the top, it says 'IMEMS 2005'. Below that, it reads 'The 8th International Marine Environmental Modeling Seminar' and 'Helsinki Finland, 23 - 25 August, 2005'. At the bottom, it says 'Proceedings'. The CD's center hole is visible in the middle.

*IMEMS 2005*

The 8th International  
Marine Environmental Modeling Seminar  
Helsinki Finland, 23 - 25 August, 2005
